WELCOME MESSAGE FROM ORGANISING COMMITTEE

It is our privilege to invite you to PTCOG-AO 2026, the 6th Annual Conference of the Particle Therapy Co-Operative Group – Asia-Oceania, taking place from 4th to 6th September 2026 in Chennai, India. This flagship gathering represents a defining moment for particle therapy in our region, bringing together clinicians, medical physicists, radiation therapists, researchers, biomedical engineers, and industry partners who are collectively shaping the future of precision cancer care.

The scientific programme has been thoughtfully curated to span the full spectrum of particle therapy: clinical applications across adult and paediatric oncology, advances in medical physics and treatment planning, FLASH and ultra-high dose-rate research, image-guided and adaptive workflows, quality assurance, and facility design. Particular attention will be devoted to region-specific priorities – equitable access, cost-effective delivery models, high-volume operational excellence, workforce development, and AI-enabled workflow integration – areas where industry collaboration is indispensable.

Chennai is a fitting host city. Home to Apollo Proton Cancer Centre – South and West Asia's first proton therapy facility – the city offers world-class clinical infrastructure, excellent international connectivity, and a rich cultural heritage that will enrich every delegate's experience.

For our industry partners, PTCOG-AO 2026 offers an unmatched platform to showcase innovations, engage directly with regional and global key opinion leaders, and contribute to the long-term growth of particle therapy in one of the world's fastest-expanding cancer care markets. Your support is central to advancing education, broadening access, and translating innovation into patient benefit.

We look forward to welcoming you to Chennai.

Warm regards,
The Organising Committee, PTCOG-AO 2026

PARTICIPANTS, FACULTY & PROGRAMME

Expected Participation

- 600+ delegates from across Asia-Oceania, Europe, and North America
- Radiation oncologists, medical physicists, radiation therapists / RTTs, dosimetrists, radiation biologists, oncology nurses, hospital administrators, and trainees
- Representation from established and emerging proton and carbon-ion centres across India, Japan, China, Korea, Taiwan, Thailand, Singapore, Australia, and beyond

Faculty

A distinguished international and regional faculty drawn from leading particle therapy centres worldwide, alongside India's growing cohort of particle therapy practitioners.

Educational Format & Scientific Programme

- Plenary lectures by global thought leaders
- Disease-site symposia: CNS and skull base, head and neck, thoracic, gastrointestinal, hepatobiliary, genitourinary, breast, sarcoma, and paediatric malignancies
- New Centres Symposium – updates and experiences from recently established and upcoming particle therapy centres across Asia-Oceania
- Carbon Ion Therapy Sessions – clinical evidence, indications, and operational experience from leading carbon-ion centres
- BNCT (Boron Neutron Capture Therapy) Session – emerging clinical applications and regional progress
- PBCT (Proton Boron Capture Therapy) Session – translational science and early clinical perspectives
- Industry-Academia Partnership Session – fostering collaborative models for innovation, technology transfer, and clinical implementation
- FLASH and emerging technologies forum
- Free paper and e-poster sessions
- Best Abstract Awards recognising outstanding scientific contributions across clinical, physics, and translational categories
- Industry-sponsored symposia and product theatres
- Hands-on demonstrations and exhibition floor engagement

CORPORATE OPPORTUNITIES

PTCOG-AO 2026 offers industry partners a curated suite of opportunities to connect with decision-makers, clinical end-users, and the next generation of particle therapy specialists.

Why partner with PTCOG-AO 2026

- Direct access to procurement decision-makers from existing and planned proton and carbon-ion centres across Asia-Oceania
- Brand visibility before, during, and after the conference through digital, on-site, and print channels
- Scientific engagement through symposia, product theatres, and workshop participation
- Showcase opportunities for accessory developers – a dedicated platform for manufacturers of immobilisation devices, motion management systems, patient positioning solutions, QA tools, dosimetry equipment, and ancillary technologies to demonstrate real-world use cases directly to leading radiation oncologists, medical physicists, and therapists from across the region
- Market intelligence on one of the world's most rapidly expanding particle therapy regions, with multiple new facilities under planning or construction in India alone
- Networking with global key opinion leaders in a focused, high-quality scientific environment

Modes of Engagement

- Tiered sponsorship packages (Diamond through Standard)
- Dedicated branding opportunities (Banquet, Kit Bag, Sessions, Certificates)
- Exhibition stalls in premium, large, and mid-size formats
- Satellite symposia and lunch sessions (priced separately)
- Product demonstration slots and live use-case presentations for accessory and software developers
- Digital and print marketing across the delegate journey

SPONSORSHIP OPPORTUNITIES

DIAMOND

- Company logo prominently displayed on the conference website (top tier)
- Kit inserts (provided by sponsor)
- 1 premium stall in the exhibition area
- 8 exhibitor badges
- Pre-dinner symposium branded as "Supported by [Diamond Sponsor]" – exclusive recognition during this high-visibility evening session
- Acknowledgement in the inaugural and valedictory sessions
- Premium logo placement on conference backdrop and signage

PLATINUM

- Company logo displayed on the conference website
- Kit inserts (provided by sponsor)
- 1 premium stall in the exhibition area
- 6 exhibitor badges
- Logo placement on conference signage

GOLD

- Company logo displayed on the conference website
- 1 large stall in the exhibition area
- 4 exhibitor badges
- Logo placement on conference signage

SILVER

- Company logo displayed on the conference website
- 1 mid-size stall in the exhibition area
- 3 exhibitor badges

BRONZE

- Company logo displayed on the conference website
- 1 mid-size stall in the exhibition area
- 2 exhibitor badges

ADDITIONAL OPPORTUNITIES

STANDARD

- A stall or table space in the exhibition area
- 1 exhibitor badge

BANQUET DINNER SPONSOR

- Exclusive branding throughout the conference banquet evening
- 10 dinner passes for company representatives and invitees
- 1 prime stall at the conference venue
- Logo on banquet invites, table cards, and stage backdrop

KIT BAG SPONSOR

Exclusive logo print on every delegate kit bag carried throughout the meeting and beyond

SESSION SPONSOR

- Company logo projected on screen at the start and close of the sponsored session
- Acknowledgement by the session chair

CERTIFICATE SPONSOR

- Attendance certificates distributed from the sponsor's exhibition booth, driving footfall
- Certificate envelopes branded by the sponsor

MARKETING OPPORTUNITIES

Digital & Print Visibility

- Logo placement on the conference website with hyperlink to corporate site
- Recognition in pre-conference email campaigns to registered delegates
- Branding in the printed and digital programme book
- Social media acknowledgement across PTCOG-AO 2026 channels
- Advertisement placement in the final programme (full page, half page – enquire for rates)

On-Site Visibility

- Branded lanyards, notepads, pens, water bottles, and charging stations (custom packages)
- Branding on registration desk and welcome signage
- Audio-visual acknowledgements between scientific sessions
- Exhibition hall floor branding and directional signage

Scientific Engagement

- Industry-sponsored satellite symposia (lunch / evening slots)
- Product theatres in the exhibition area
- Hands-on workshop sponsorship (contouring, planning, QA)

Can't Find What You're Looking For?

We welcome the opportunity to design a bespoke partnership package aligned with your company's strategic priorities. Please contact the Conference Secretariat to discuss tailored opportunities, including academic grants, fellowship support, young investigator awards, and travel grants for delegates from low- and middle-income countries.

EXHIBITION TIMELINE

The 6th Annual Conference of PARTICLE THERAPY CO-OPERATIVE GROUP – ASIA OCEANIA will be held between September 4-6 at the Taj Fisherman;s Cove Spa & Resort, Chennai.

EXHIBITOR SET-UP Sep 3, Thursday Time: 16:00 hrs – 21:00 hrs IST

All exhibit booths must be in place and waste must be removed by 05:00 hrs IST on September 4th, 2026. Please ensure that all crates and cartons are unpacked quickly so that these may be removed and stored away to keep the aisles clear. If the booth space has not been occupied or set up by the time mentioned above, the Secretariat reserves the right to use the space as it deems appropriate.

EXHIBIT HOURS Location: Casuarina Grove

Friday, September 4	09:00 hrs – 18:00 hrs IST
Saturday, September 5	09:00 hrs – 18:00 hrs IST
Sunday, September 6	09:00 hrs – 12:00 hrs IST

All exhibition booths must be opened and staffed during official opening hours. Exhibitors are to familiarize themselves with the program schedule when traffic to the exhibit booths will be at its peak. Please note that sessions may also be held outside the above mentioned exhibit hours.

EXHIBIT DISMANTLE AND VACATE HOURS Sunday, Sep 6 Time: 13:30 hrs – 17:00 hrs IST

All display material must be cleared from the exhibition area by 18:00 hrs IST on September 6, 2026. Should an exhibitor fail to remove the exhibit, the Organizers have the right to remove such exhibits at the Exhibitor’s expense.

Over-time Penalty claimed by the Venue:

Exhibitors and/or their appointed contractors shall follow the move-in/out schedule. If the exhibitors or their appointed contractors work beyond the allowed move-in schedule, they will be asked to STOP all the construction and decoration work. If they work beyond the allowed move-out schedule, they will be LIABLE for covering the over-time penalty claimed by the venue against the Organizer.

Please note that all exhibitor hours are subject to change. Exhibitors will be notified if a change in hours is necessary.

VENUE LOCATION

TAJ FISHERMAN'S COVE

Set against the serene shores of the Bay of Bengal, Taj Fisherman's Cove Resort & Spa offers a distinguished setting for the 6th Annual PTCOG-AO Conference. Nestled within an 18th-century Dutch fort, this 5-star resort blends heritage and hospitality across 48 acres of lush gardens overlooking a private beach - an inspiring backdrop that combines professional excellence with coastal tranquillity.

Equipped with nearly 2,975 square metres of versatile event space, the resort caters effortlessly to both business and leisure. Its scenic coastal location, close to the UNESCO World Heritage site of Mahabalipuram, offers delegates the perfect balance of focused scientific exchange and relaxed exploration.

VENUE LOCATION MAP

VENUE SAFETY NORMS

- a. The vendor shall diligently adhere to the safety and security norms and should undertake all safety precautions while performing in the working area.
- b. The vendor shall be responsible to ensure that safety protective gears (Personal Protective Equipment) are worn at all times. The hotel management/ company shall not be liable for any injury/ disablement to any person or resulting in the death while working in the area.
- c. Vendors need to ensure NO fire exit route/ door (especially at ballroom) to be blocked and needs to keep clear an emergency passage as per fire safety regulations / requirements.
- d. No noisy work (fixing of nail or any hammering work) at vedi area or the terrace (especially during silence hours) to avoid any noise complaint by the resident guests.
- e. Lying of the cables from outside gate# 3 (Genset cable) to the location of an event needs to be covered by the wire manager, availability of Change over switch is mandatory.
- f. All personnel's accompanying vendor should wear the non-skid shoes in the working area for safety. All those found to be wearing sandals/ slipper will not be allowed to enter the hotel premises.
- g. All the halogens lights used in open lawns, inside the banquet halls are presentable and do's not having any potential risk of shot circuit or fire.
- h. No worker under the influence of any/all banned substances will be allowed into the premises. Any worker found under the influence of any/all banned substances will be reported to the vendor / contractor and asked to vacate the hotel premises immediately and will not allowed entry in addition to a ban from all hotel premises.
- i.
 - i. All hotel employees have been authorized to stop work immediately should they observe an unsafe act or unsafe condition. They will notify the concerned individual(s). A fresh work permit will be needed to continue work.
 - ii. All vendor personnel engaged in electrical work and heavy structural work will possess a government approved licence to perform the said task.

EXHIBITION FLOOR PLAN

EXHIBITOR BOOTH DETAILS

Platinum Shell Scheme

5 meters x 3 meters

Stall Specifications

- Stall Height: 8 feet
- Basic lighting will be included.
- Table Size: 3.5 feet (width) × 2 feet (depth) × 2.5 feet (height)
- Table Front Panel Size: 38 inches (width) × 26 inches (height)
- A fascia board displaying the exhibitor's name will be provided.
- The stall will be constructed using aluminium channels and laminated partition boards.

Booth Decoration

A single shell scheme booth is 5 m x 3 m (see above diagram). Display materials/posters should be provided by the exhibitor. Additional needs such as electricity, audiovisual will be at the expense of the exhibitor and can be ordered through our designated PCO.

Silver Shell Scheme

4 meters x 2 meters

Stall Specifications

- Stall Height: 8 feet
- Basic lighting will be included.
- Table Size: 3.5 feet (width) × 2 feet (depth) × 2.5 feet (height)
- Table Front Panel Size: 38 inches (width) × 26 inches (height)
- A fascia board displaying the exhibitor's name will be provided.
- The stall will be constructed using aluminium channels and laminated partition boards.

Booth Decoration

A single shell scheme booth is 4 m x 2 m (see above diagram). Display materials/posters should be provided by the exhibitor. Additional needs such as electricity, audiovisual will be at the expense of the exhibitor and can be ordered through our designated PCO.

Standard Shell Scheme

2 meters x 2 meters

Stall Specifications

- Stall Height: 8 feet
- Basic lighting will be included.
- Table Size: 3.5 feet (width) × 2 feet (depth) × 2.5 feet (height)
- Table Front Panel Size: 38 inches (width) × 26 inches (height)
- A fascia board displaying the exhibitor's name will be provided.
- The stall will be constructed using aluminium channels and laminated partition boards.

Booth Decoration

A single shell scheme booth is 2 m x 2 m (see above diagram). Display materials/posters should be provided by the exhibitor. Additional needs such as electricity, audiovisual will be at the expense of the exhibitor and can be ordered through our designated PCO.

Exhibitor Booth Sizes:

Category	Dimensions	Table	Plastic Armless Chair	Spotlight	5 amps Socket	Small Trash Bin	Fascia Size
Diamond	6m x 4m (19.5 ft x 12.5 ft)	4	8	6	3	1	19 ft 9 in x 9 in (W x H)
Platinum	5m x 3m (16 ft x 9.5 ft)	3	6	5	2	1	16 ft x 9 in (W x H)
Gold	4m x 3m (12.5 ft x 9.5 ft)	2	4	4	2	1	12 ft 9 in x 9 in (W x H)
Silver	4m x 2m (12.5 ft x 6 ft)	2	4	4	2	1	12 ft 9 in x 9 in (W x H)
Bronze	3m x 2m (9.5 ft x 6 ft)	1	2	3	1	1	9 ft 9 in x 9 in (W x H)
Standard	2m x 2m (6 ft x 6 feet)	1	2	2	1	1	6 ft 3 in x 9 in (W x H)

Important Points to be Followed:

- No tapes, nails or fixtures of any kind are allowed to be affixed to the partitions, flooring or ceiling. Exhibitors are liable for any damage caused to their booth fixtures and fittings at the exhibition.
- No freestanding fitment may exceed 2.5 metres in height or extend beyond the boundaries of the booth shell. This includes exhibits, names or logos of the organisations and advertising materials.
- All exhibits and stand materials shall be removed immediately after the closing of the exhibition according to the arrangements and within the time limits specified by the Organizer. Any exhibits or stand materials left behind at the exhibition venue shall be deemed abandoned. Exhibitors are responsible for the expense of the disposed items.
- The above-mentioned stall facilities, including the standard stall structure, panels, fascia board, lighting, table, chairs, and other basic amenities, will be provided only to exhibitors who have opted for an Octonorm stall setup.
- Exhibitors who have selected raw space and are planning to construct their own customized stall must arrange the complete stall design, fabrication, furniture, lighting, electrical fittings, and all other required materials at their own cost.
- For raw-space stalls, the organiser will provide only the main power cable connection up to the allotted stall area. Any additional electrical wiring, distribution boards, plug points, extension cables, lighting fixtures, or related electrical requirements inside the stall must be arranged by the exhibitor through their appointed stall fabricator.

Ordering and Rental Services

Rate for 3 days

S.no.	Particulars	Rate (INR)
1.	Bar Stool	4500
2.	Cocktail Table	2800
3.	Round table 6ft	3200
4.	Coffee Table (teapoy)	4500
5.	Lockable Cabinet (table)	4800
6.	Brochure Rack-Metal	4000
7.	Brochure Rack-Folding	4000
8.	Waste Basket (small for stalls)	300
9.	Long Arm Spot Light	1000
10.	Metal Halide	3200
11.	Single Seater Sofa	6000
12.	Two Seater Sofa	7500
13.	Glass Bowl – Fish Bowl	600
14.	42" – LED TV	9000
15.	50" – LED TV	12000

PLEASE NOTE :

- All items quoted above are purely on rental basis
- Orders to be placed 72 Hours before start of event
- All orders subject to availability.
- Onsite orders will have a surcharge of 40% on above costs

Miscellaneous Services

The following services could be arranged as per requirements at a cost:

1. Visiting cards Bowl
2. Visitors book
3. Candies & Dry Snacks
4. Soveigneirs & Compliments
5. Hostesses & Service Staff
6. Photography
7. Videography
8. Floral arrangement
9. Plants
10. Internet Service

- Supplemental IT and AV equipment—including laptops, desktops, and printers (both color and black & white)—can also be arranged upon request at an additional cost.
- All amounts quoted in this correspondence are exclusive of applicable taxes and service charges. Prevailing government tax structures and standard service charges will be applied at the time of the conference.

For assistance with stall design, custom booth fabrication, branding, and other exhibition-related requirements, please contact:

Mr Saravanan

Marundeshwara Enterprises

☎ Ph: +91 9940668814 ✉ info@marundeshwara.com

CUSTOM DESIGN EXHIBITION BOOTH

Exhibitor Booth Sizes:

Raw space for custom-built booths is available upon request. For this option of participation, exhibitors will be given “floor marking” raw space only. The space will not be provided with partitions, furniture or fittings. The exhibitors will have to design, construct their own booth and adhere to the Exhibition Regulations and Guidelines as well as any other condition, which the Organizer may specify before or during the exhibition. Please send the raw space request to Official Contractor for further arrangements.

Exhibitors are free to select any contractor at their own discretion. The official exhibition contractor can assist with special design and construction.

Plans and Design Proposals:

Plans and design proposals of custom-built booths must be submitted in duplicates to the official exhibition contractor for approval no later than 30 July 2026. Drawings submitted must be to a reasonable scale of min 1:100 in full dimensions and must contain information such as floor plan, stand elevation, electrical fittings, colours and materials to be used as well as audio-visual equipment to be used or design proposals before approving the same, or withhold approval at its discretion. Custom-built booths shall not be permitted in the exhibition unless the plans and design proposals have been approved in writing by the Organizer.

Height Limits and Setback Criteria for Booth Design:

The maximum booth construction height limit is 3.04 metres high.

No company identity, e.g. company names, logos, etc., should be put on the back of any booth structure over 3.04 metres which faces the neighboring booth. If the exhibitor wishes to build a wall over 3.04 metres but only decorate the inside of their own booth with their graphics (including company name and logo), the exhibitor is required to finish the other side of the wall in a white colour.

Suspension from the Ceiling:

No part of any exhibit and/or construction (trusses, lights etc.) may be suspended from the ceiling or attached to any part of the building.

Cleaning Responsibilities for Non-Official Contractors:

External contractors are responsible for cleaning their own booth area and ensuring it is left in a clean condition upon departure. This includes removing any sawdust from the carpet and preventing paint from spilling onto the carpet. Failure to do so may result in the payment to cover any necessary cleaning costs by the exhibitor.

Contractors must also place a layer of plastic sheeting over the carpet in their designated booth area. The plastic covering should extend at least 1 metre beyond the booth boundaries to protect the carpet of the venue from any potential damage.

Important Points to be Followed:

Exhibitors must ensure that they and their contractors are fully aware of the following points when preparing design proposals. Failure to observe such rules can result in costly alterations on site being required by the venue and/or the Organizer. The charges will be entirely the exhibitors' expense.

- Site measurements are to be given in metric units. Exhibitors, upon arrival and before commencing construction work, are required to check if the site is set out as per the floor plan issued by the Organizer, and to report any errors to the Organizer immediately. The Organizer will not be liable for any errors once construction work has been started by the party lodging claim without first reporting the error to the Organizer.
- No part of any structure may extend beyond the boundaries of the site allocated. This includes exhibits, names or logos of the organizations and advertising materials.
- No suspension is to be made from the ceiling of the exhibition hall, nor may nail fixing be made to the floor, walls or any other parts of the building.
- The name and/or booth number of the exhibitors must be prominently displayed and facing the aisle. If this rule is not observed, the Organizer reserves the right to affix them as it considers fit and to charge the cost incurred to the exhibitors concerned.
- Exhibitors should provide, set up and decorate their booth's partitions facing their own booth areas, aisle and adjacent booths. All surfaces of the partitions must be finished to an acceptable standard.
- All electrical fittings and wirings must be installed in compliance with the Electricity Regulations of the Venue.
- There is no storage space for empty crates, boxes or packing material at the venue. Non-official contractors are responsible for removing them. Any goods or packing material left in the corridor may be disposed of without prior notice and extra removal charges will be deducted from the site work deposit.
- No construction material and equipment can be placed at the loading area during the exhibition period. Any material left in the loading area may be disposed of without prior notice and extra removal charges will be deducted from the deposit.

REGULATIONS, TERMS AND CONDITIONS

PTCOG-AO Sponsor and Exhibitor Regulations

Advertising Material

Canvassing or distributing of advertising material by non-exhibiting, commercial companies is strictly prohibited. Exhibitor advertising will not be permitted outside of the exhibitor's assigned space. Unauthorized signage will be removed.

Demonstrations

Exhibitor demonstrations should not interfere with normal traffic flow nor infringe on neighboring exhibits. No demonstrations will be permitted outside of the exhibitor's assigned space.

Special Events

Company-sponsored sessions or special events must be approved by the Society. The attendees, leadership and faculty members cannot be invited to an event that conflicts with PTCOG-AO programs, including the Scientific Program, and/or other events. Please contact the PCO for more information.

Facility Regulations

Exhibitors are required to abide by all facility regulations in the design, installation, operation and dismantlement of their exhibit stands. A complete description of electrical, fire, labor and property regulations will be listed in exhibitor information to be distributed at a later date.

Food and Beverage Distribution

Exhibitors wishing to dispense or serve any food or beverage from assigned exhibit space must notify the venue. Further information will be provided in exhibitor information to be distributed at a later date.

Market Research

Surveys or market research of any kind is prohibited.

No Smoking

Smoking in all public space in the venue is prohibited. Prizes and Lotteries: Prizes, sponsored contests and prize drawings will not be permitted.

Promotional Items

Distribution of descriptive product literature, notepads, pens and pencils is permitted and does not have to be approved. Other items may be distributed from the exhibitor's stand only with prior written approval. For approval, exhibitors must submit in writing to the Conference Secretariat along with a photo, written description of each item, or sample of each item. All items to be distributed must be useful to the attendees during the event or in the daily activities of the booth visitor. Any exhibitor found distributing materials which have not been officially approved may be required to cease distribution immediately.

Relocation

The PTCOG-AO Secretariat reserves the right to relocate exhibitors. In the event that it is necessary to relocate an exhibitor after a specific space assignment has been made, the Secretariat will contact the exhibitor. Every effort will be made to reassign the exhibitor to similar space. In any instance of exhibit stand relocation, the exhibitor has the option to cancel and receive a full refund of all payments made. Restriction of Exhibits The Secretariat reserves the right to: (a) reject for any reason any exhibit application submitted for the 6th PTCOG-AO; (b) reject, prohibit, restrict or otherwise require modification of any exhibit for any reason; and (c) evict or bar any exhibitor whose exhibit, materials or conduct is determined to be objectionable for any reason. Upon evidence of violation, the Conference Secretariat may enter and take possession of the space occupied by the exhibitor, and may remove all persons and goods at the exhibitor's risk. The exhibitor shall pay all expenses and damages which the Conference Secretariat may thereby incur.

Merchandise Sales

Selling merchandise is prohibited at the 6th PTCOG-AO. Order forms may be distributed. The only exception is that book publishers may sell their publications.

Liability

The exhibitor shall be fully responsible to pay for any and all damages to property owned by the venue and its owners or managers, which result from any act or omission of the exhibitor. The exhibitor agrees to defend, indemnify and hold harmless, the PTCOG-AO Society, its owners, managers, officers or directors, agents, employees, and subsidiaries and affiliates, from any damages or charges resulting from the exhibitor's use of the property. The exhibitor's liability shall include all losses, costs, damages, or expenses arising from, out of, or by reason of any accident or bodily injury or other occurrences to any person or persons, including the exhibitor, its agents, employees and business invitees which arise from or out of the exhibitor's occupancy and use of the exhibition premises, the venue or any part thereof. In addition, the exhibitor acknowledges that the PTCOG-AO Society, the venue, and all other service providers do not maintain insurance covering the exhibitor's property and that it is the sole responsibility of the exhibitor to obtain business interruption and property damage insurance covering such losses by the exhibitor.
